**WESTSIDE CHILDREN'S CENTER FOSTER FAMILY AGENCY CONTRACT COMPLIANCE
MONITORING REVIEW**

The Department of Children and Family Services (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Westside Children's Center Foster Family Agency (the FFA) in October 2013. The FFA has one licensed office located in the Second Supervisorial District and provides services to County of Los Angeles DCFS foster children and youth. According to the FFA's program statement, its mission is "to provide an interdisciplinary resource that provides crucial support to our community by uniting and strengthening families so that all children can achieve their optimal growth and development and reach their full potential in the safety of permanent and nurturing families."

At the time of the review, the FFA supervised 13 DCFS placed children in 10 certified foster homes. The placed children's average length of placement was four months, and their average age was two.

SUMMARY

During OHCMD's review, the interviewed children generally reported: feeling safe at the FFA; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity. The certified foster parents reported they were supported by the FFA staff in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with all 11 sections of our program compliance review: Licensure/Contract Requirements; Certified Foster Homes; Facility and Environment; Maintenance of Required Documentation/Service Delivery; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharge Children; and Personnel Records.

Attached are the details of our review.

REVIEW OF REPORT

On October 29, 2013, the DCFS OHCMD Monitor, Thomas Manning, held an Exit Conference with the FFA's Director of Foster Care and Adoptions, Judy Grey. The FFA's representative agreed with the review.

A copy of this compliance report has been sent to the Auditor Controller and Community Care Licensing.

**WESTSIDE CHILDREN'S CENTER FOSTER FAMILY AGENCY
CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2013-2014**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. This compliance report addresses findings noted during the October 2013 review. The purpose of this review was to assess Westside Children's Center Foster Family Agency's (the FFA's) compliance with the County contract and State regulations and included a review of the FFA's program statement, as well as administrative internal policies and procedures. The monitoring review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For purposes of this review, six children were selected for the sample. Out-of-Home Care Management Division (OHCMD) interviewed three of the six children as three children were not interviewed due to being non-verbal. The three non-verbal children appeared to be well-cared for and comfortable in their respective homes. We reviewed all six children's case files to assess the care and services they received. Additionally, five discharged children's files were reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, one placed child was prescribed psychotropic medication. We reviewed the case file to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

OHCMD reviewed four certified foster parent files and five staff files were reviewed for compliance with Title 22 Regulations and County contract requirements. Interviews were conducted with four certified foster parents to assess the quality of care and supervision provided to the children.

CONTRACTUAL COMPLIANCE

OHCMD found the FFA to be in full compliance with all 11 sections of our program compliance review.

PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD's FOSTER FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW

The OHCMD's last compliance report completed in June 18, 2013 identified three recommendations.

Results

Based on our follow-up, the FFA fully implemented all three previous recommendations for which they were to ensure that:

- OHCMD is contacted for historical abuse/neglect information regarding prospective certified foster parents prior to certification.
- Ensuring that all certified foster parents have the required health screening in accordance with Title 22 regulations and that documentation is maintained in the certified foster parent files.
- Ensuring all children are visited by the FFA social work staff in accordance with the Contract requirements and the visits are documented in the children's files.

MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER (A-C)

A fiscal review of the FFA by the A-C was posted on December 2, 2011. The A-C identified \$1,829.00 in unsupported/inadequately supported expenditures. The A-C recommended that the Department of Children and Family Services (DCFS) resolve the questioned costs and collect any disallowed amounts from the FFA. On April 4, 2014, OHCMD verified with the DCFS Fiscal Section that the FFA had paid all of the past monies owed.
